

Maker Faire® Syracuse

Together We Create

The background of the page is a collage of images from a Maker Faire event. On the left, a person in a grey vest and orange shoes stands near a display. On the right, a woman with long dark hair is focused on working with wood on a workbench. The central text is overlaid on a white rectangular area.

Maker Faire® Syracuse

Maker Faire is the Greatest Show and Tell on Earth – a family friendly showcase of invention, creativity, and resourcefulness, and a celebration of the Maker movement. It's a place where people share what they are making and learning. Makers range from tech enthusiasts to crafters, educators, tinkerers, hobbyists, engineers, artists, science clubs, students, authors, and commercial exhibitors. They are of all ages and backgrounds. Maker Faire's mission is to entertain, inform, connect, and inspire these thousands of Makers and aspiring Makers.

Spring 2022 marks the very first Maker Faire Syracuse (MFS). The Faire is organized by a committee of educators, librarians, engineers, tech enthusiasts, and other members from local institutions, all of whom share the goal of uniting the community through creativity. Our mission is to provide equitable access to Maker and STEAM education. Sponsoring Maker Faire Syracuse offers you a unique opportunity to support the creativity of the CNY community while reaching thousands of people with your message. Together we can foster an environment that allows all members of the CNY community to showcase their talents, educate their neighbors, and explore the many facets of STEAM education that may not be readily available to them on a day to day basis. **Together we create.**

Onondaga Community College

Maker Faire Syracuse is backed by Onondaga Community College (OCC) and the OCC Foundation. Thanks to their generous donation, the Syracuse Maker Faire will be hosted in the SRC arena located on the OCC campus. The SRC arena is a prime location allowing easy access for residents of the City of Syracuse and surrounding areas.

SRC Arena

- 57,000+ Square Feet of exhibit space
- Ample Parking
- 3 Private Rooms for speakers/sponsorship opportunities
- Accessible to all community members

What do your donations do?

- Help provide equitable access for the underprivileged and underrepresented members of the community
- Provide educational takeaways at MFS tables stationed around the event
- Film events and speakers to better share their message with the world
